

# REVERSE MORTGAGE

## New Customer Guide

Thank you for choosing Heartland Seniors Finance as your reverse mortgage provider. This guide may answer some of the questions you have following settlement. Please do not hesitate to contact our friendly team on **1300 889 338** or [enquiries@seniorsfinance.com.au](mailto:enquiries@seniorsfinance.com.au) if you require assistance at any time. We are here to help you.

*When do I receive statements?*

In January and July each year (regardless of your loan's settlement date). The statement details the transactions on your loan over the previous period, including interest, any applicable fees and charges, and whether you have any additional funds available.

*What is the Annual Questionnaire?*

Completion of Heartland's Annual Questionnaire is required under your loan agreement. Its purpose is to confirm that your rates and insurance are up to date, and that the property is being maintained. You will receive the questionnaire on the anniversary of your loan commencement, every year. It must be completed, signed and returned within a month.

*How do I draw funds from my Cash Reserve Facility?*

To draw funds out of your Cash Reserve Facility, you simply need to complete a Cash Reserve request form. Please contact our friendly team to obtain this form.

*How is Interest calculated?*

Interest is calculated on the daily balance, and added to the loan monthly. At the end of the term of your loan, when you move permanently from your home, the total interest charged, together with the principle will be payable.

*Am I required to make loan repayments?*

No. There is no requirement to make any loan repayment until the end of the loan. Heartland does offer the flexibility to repay the loan partially, or in full, at any time without paying penalty charges.

*How can I make voluntary repayments?*

You can make repayments at any branch of the Commonwealth Bank or via internet banking. You can also set up a regular direct payment with your bank.

Please be sure to include your **loan number** and your **last name** in the transaction description. This is essential, as it enables us to correctly identify your loan repayment.

You can find your loan number on your Settlement Letter, as well as any subsequent Statements. We can also confirm your loan number over the phone for you on 1300 889 338.

*When is my loan repayable?*

A Standard Reverse Mortgage is usually repayable within 12 months of when you move permanently from your home (the security property), or upon sale of the security property.

A Secondary Property Loan is usually repayable within 12 months of when you move permanently from your owner occupied home (or primary residence), or upon sale of the security property.

*What happens if my spouse passes away?*

We understand that this can be a stressful time. While you will need to notify Heartland and provide us with a death certificate, provided you are a Nominated Borrower, you will continue to have Lifetime Occupancy of your home – and can live there for as long as you choose.

*If I move home, am I able to take my loan with me?*

If you move into another house, you can apply to transfer your Heartland Reverse Mortgage to your new home. This is also the case for a Secondary Property Loan when moving from your primary residence (home). The assessment of this application will be based on the age of the youngest person applying, the new property and its value, and the current loan amount outstanding.

Please contact us to discuss whether taking your loan with you could be a solution, and your eligibility.

*Do I have access to redraw?*

If you have available redraw, this will show on your loan statement. To access redraw, you will need to complete a request form. Please contact our friendly team to obtain this form.

A drawdown fee applies - refer Heartland's current fee schedule on our website.
